

JOHNSON COUNTY COMMUNITY COLLEGE
Science Division
BIOL 145
Unit II

Digestive System

Teeth
 incisor
 canine
 premolar
 molar

Glands
 parotid
 mandibular

Esophagus

Stomach
 cardia
 rugae
 pylorus

Small Intestine
 duodenum
 jejunum
 ilium

Large Intestine
 cecum
 ascending colon
 transverse colon
 descending colon

Mesenteries
 stomach
 lesser omentum
 greater omentum
 small intestine
 mesentery proper
 large intestine
 mesocolon
 liver
 falciform ligament

Rectum

Anus

Liver
 quadrate lobe
 caudate lobe
 left and right lateral lobes
 left and right medial lobes

Gallbladder
 cystic duct

Common Bile Duct

Pancreas

Spleen

Respiratory System

Pharynx
Larynx
 epiglottis

Trachea

Bronchi

Lung
 anterior lobe
 middle lobe
 posterior lobe

Diaphragm

Urogenital System

Kidneys
 capsule
 cortex
 medulla
 renal pyramid
 renal columns
 renal pelvis

Ureters

Urinary Bladder

Urethra

Male:
Prostate Gland
Urogenital Canal
Bulbourethral Gland
Penis
 crura
 glans

Testis

Epididymis

Spermatic Cord
 ductus deferens
 internal spermatic vessels

Female:
Ovary
Uterine Horn
Uterus
Vagina
Urogenital Sinus
Fallopian Tube (oviduct)
